- Mr. Suraj Kujur.

Community Nutrition Programme

- ▣ On 30th November the students and members of NSS from Tribal college of Nursing organised a nutrition programme at Primary school, Chatakpur, Sidrol.
- ▣ The objectives of this programme was to educate the children as well as their parents about nutritious diet to maintain their health.

- ▣ The Students from Tribal college of Nursing also gave various Health education on the related topics of Healthy diet and it's need.

AIDS DAY AWARENESS PROGRAMME

- Each year 1st December is recognized as HIV/AIDS DAY.
- On this Occasion an AIDS awareness campaign was organised by the students of TRIBAL COLLEGE OF NURSING under the banner of NSS.

THEME

- The theme for this year's HIV/AIDS day is – 'EQUALIZE'.

- All the students who participated in the programme lined-up for RALLY, from Tribal college of Nursing campus to Chatakpur village, SIDROL.
- The students were holding posters regarding AIDS/HIV disease , causes of transmission & prevention and marched to the programme destination.

Upon reaching the location , the students distributed themselves for calling out local residents for the programme.

THE PROGRAMME WAS HOSTED BY SANWAYEE
MUKHERJEE.(GNM 3RD YEAR)

- The first programme was a skit presented by the students of GNM. 1ST YEAR on the topic “HIV Transmission by UNSAFE SEXUAL PRACTICE.”
- 2ND Skit was also presented by the students of gnm 1st year on the topic “ HIV Transmission by Hiv positive Mother to the Child during BREASTFEEDING.”

- 3RD Skit was presented by the students of Bsc Nursing 1st year on the topic “ HIV Transmission from Mother to Child during pregnancy.”

- 4th skit was presented by the BOYS GROUP students from Bsc Nursing 1st year on the topic “HIV Transmission by sharing infected Needles.”

VOTE of THANKS
