About the Journal

International Multidisciplinary Journal of Y.B.N. University
METAINNOVATE

METAINNOVATE is an emerging bilingual (Hindi and English) international multidisciplinary journal published by Y.B.N. University. Established just 8 months ago, the journal aims to provide a platform for innovative research and knowledge sharing across diverse academic disciplines.

While we are still in the process of solidifying our foundation, METAINNOVATE is committed to fostering high-quality scholarly communication and is in the process of applying for an ISSN number.

Our journal welcomes contributions from researchers, academicians, and practitioners from all over the world. We encourage the submission of original research papers, articles, case studies, and reviews that align with our focus on multidisciplinary approaches and emerging trends.

We invite you to submit your valuable work to METAINNOVATE and become a part of this growing academic initiative. As we continue to expand and enhance our reach, we look forward to making meaningful contributions to the academic community.

For submission guidelines and more information, please visit our website or contact us directly. We look forward to your contribution.
