

## INCUBATION CENTRE

### Research & Innovation at YBN University –Institution Incubation Centre(IIC)

In alignment with the vision set by the Ministry of Human Resource Development (MHRD), Government of India, the YBN University Incubation Centre (IIC) is dedicated to fostering a culture of innovation and entrepreneurship. The MHRD's Innovation Cell (MIC) has been established to ignite the innovative spirit among students across Higher Education Institutions (HEIs), with a focus on transforming ideas into real-world solutions. At YBN University, we are committed to empowering students and faculty to explore and develop groundbreaking innovations through hands-on experiences and research-driven initiatives.

**Mission** Our mission is to provide a dynamic ecosystem where students and faculty can actively engage in the innovation process, turning their creative ideas into tangible prototypes. We aim to inspire and nurture young minds by offering them the tools and resources necessary to transform their concepts into market-ready innovations while fostering collaboration and a research-oriented mindset.

### Key Functions

#### 1. Exclusive Participation in Innovation and Entrepreneurship Activities

Students and faculty involved with the IIC will have exclusive access to a range of innovation and entrepreneurship-focused events, workshops, and activities organized by MIC. These events provide invaluable opportunities for collaboration and hands-on experience in the innovation space.

#### 2. Recognition and Reward for Innovation

Students' innovative efforts will be celebrated through recognition and rewards. Their success stories will be highlighted to inspire future innovators and entrepreneurs.

#### 3. Networking with Entrepreneurs and Experts

Student innovators will have the unique chance to connect with a diverse group of entrepreneurs, industry leaders, and development organizations, facilitating valuable exchanges of ideas and experience.

#### 4. **Mentorship and Skill Development**

Periodic workshops, seminars, and interactions with seasoned entrepreneurs, investors, and professionals will allow student innovators to receive guidance and mentorship, fostering a culture of continuous learning and growth.

#### 5. **Showcasing Innovative Projects**

The innovative projects undertaken by our students and faculty will be prominently featured on the university's Innovation Portal, providing exposure and recognition on a larger scale.

#### 6. **Hackathons, Competitions, and Challenges**

Regular hackathons, idea competitions, and mini-challenges, often in collaboration with industry partners, will provide students with opportunities to solve real-world problems and demonstrate their skills in a competitive environment.

#### 7. **Encouraging Exploration of New Technologies**

Students will be encouraged to engage with and experiment using cutting-edge technologies, equipping them with the skills and knowledge to drive technological advancements.

#### 8. **Exposure to the Global Entrepreneurial Ecosystem**

Students will have the opportunity to visit leading companies and innovation hubs, gaining insights into the latest trends and cultures surrounding entrepreneurship, fostering a global perspective on innovation.

At YBN University, we believe that research and innovation are key drivers of societal progress. The Incubation Centre is dedicated to nurturing the next generation of thinkers, innovators, and entrepreneurs by providing them with the necessary platform to explore, learn, and grow.
