Y B N UNIVERSITY

RAJAULATU, NAMKUM, RANCHI (Jharkhand)

Established by the Act. of Government of Jharkhand Act. 15, 2017

Gazzate Notification No. 505, Dated 17 July 2017

As per Section 2(f) of UGC Act. 1956

4.4.2 Institution frequently updates its computer availability for students and IT facilities including Wi Fi

Response:

University has given top priority to up-gradation of IT facilities for ensuring high-end teaching learning environment. University has updated hardware configurations and software. University ensures updates of IT infrastructure through suggestions and requirements from Deans of Schools, IT In-charge and lab assistants after reviewing changes in course requirements and current status of computer labs.

Suggestions and requirements provided by Deans of Schools, IT In-charge and lab assistants are reported to IQAC for review. As per suggestions of IQAC, updates of IT infrastructure are fulfilled by the University.

In order to provide full-fledged internet connectivity, Institute has 1 Gbps internet connection which is provided through Wi-Fi by using access points at various locations.

Internet connection is provided to students after registration of mobile and laptop address. All computers of the Institute are connected through wired network and internet access is controlled through firewall.

University has server room for systematic control on computer labs and for providing uninterrupted IT services for teaching and learning. University always review the current needs and accordingly internet bandwidth is upgraded from time to time.

Institute has updated server-client based antivirus technology.
