

Dept. of Biotechnology
School of Science
YBN University, Ranchi
UG / PG / Ph.D.

Dear Students, Faculty, and Visitors,

Welcome to the Department of Biotechnology at our YBN University, where innovation meets excellence in the realm of biotechnology. As the Head of the department, I am thrilled to introduce you to our dynamic academic community.

Our department is dedicated to providing students with a comprehensive education in biotechnology, preparing them for successful careers in various sectors, including healthcare, agriculture, and environmental science. With cutting-edge research, state-of-the-art facilities, and a team of renowned faculty members, we offer unparalleled opportunities for students to engage in hands-on learning and groundbreaking research projects.

Explore our website to learn more about our programs, faculty expertise, and the exciting advancements happening within the field of biotechnology. Whether you are a prospective student, current student, or visitor, we invite you to join us on this journey of discovery and innovation.

Thank you for your interest in Biotechnology.

We look forward to welcoming you to our vibrant academic community.

Warm regards,

A handwritten signature in purple ink, appearing to read 'Dr. Chandrajeet Kumar'.
